

# The Focus

April 2024

## Created for Community

The focus of our Wednesday evenings in Lent was “Created for Community”. In potluck dinners and conversations around the table, in singing and praying together in worship, we lived this theme.

Our evenings also included work on a weaving project. Using CDs as a base, we used yarn and ribbon in various colors and styles to weave a circular pattern. This work was intentionally collaborative. Participants were invited to take a CD, weave a little, then return it to the basket, choosing a different CD to work on the following week. These woven CDs were then joined together to make a banner, which will be on display in the sanctuary throughout the long and joyous Easter season.

Weaving is such an apt metaphor for life in community with God and with one another. Individual threads, individual people are joined together, bringing diversity of color and texture, of gifts and experiences and personalities. The thing that unites a woven piece is the strong warp threads. The thing that unites our woven community is the love of God in Christ Jesus.

Diversity can also be seen in the design of each woven circle. There is - intentionally! - a wide color palette, and no prescribed pattern or design. The result is a bit messy, certainly not uniform - and yet, also beautiful! Different styles and colors and patterns come together to make something truly unique. Would our work look “better” if one person, especially one professional, did them all? Perhaps. But perfection is not ever our goal - we are only human, after all! There is indeed something special about the collaborative process and the beauty of different perspectives, ideas, and styles coming together as one.

As the base for this project, we repurposed CDs. In using these discs for something other than their intended purpose, we are reminded of the ways God is “making all things new” (Rev. 21:5). The theme of resurrection and new life is especially appropriate in this Easter season!

Around the edges of each CD you can catch glimpses of the shiny silver finish. My hope is that once the banner is hung in the sanctuary, these shiny edges will catch and reflect the sunlight. As we see this light reflected around the room, let it be a reminder that we are created and called to reflect God’s love shown to us and share it with our neighbors.

Thank you to Patti Day for running with this idea - weaving a sample, preparing all the CD bases and weaving needles, and assembling the banner; to all who gave an abundance of yarn and ribbon; to the Binottos for their help teaching; and to everyone who spent time weaving over this season. We’d love to hear your thoughts and reflections on this project!

## Holy Hikers

Our April edition of the Holy Hikers series will be held on the Arrowhead Trail on Saturday, April 13 at 9am starting at the large parking lot behind the old St. Petersburg Center building (210 Valley Brook Rd) east of the intersection of Rte. 19 and Valley Brook Rd. We will head west along the trail featuring several old railroad bridges and tunnels on a 2-mile out and 2-mile back journey (crossing Chartiers Creek). The surface is crushed limestone on a very slight gradient. Dogs are encouraged so bring your furry friends along.

As always, everyone is welcome, RSVPs not required (just show up). Self-paced so no need to keep up with the fast-walkers (bring a friend along to hike with!). This is easy-going, informal, come as you are, participate as you will, get exercise, have fun!! If directions are needed give me a call.

See you there!!

## Blessings in a Backpack

Dear Our Redeemer Lutheran Church,

Thank you very much for your generous in-kind donation in 2023 of 564 applesauce/fruit cups, 247 pasta cups, 72 raisin boxes, 36 pudding cups, 25 cereal boxes, 60 pretzel packs, and 52 count oatmeal packs which benefited our Ringgold Elementary School program of Blessings in a Backpack.

Today, food insecurity impacts children in every corner of the United States. An astounding 100% of U.S. counties currently have food insecure residents. That's why your support makes such an enormous difference.

Because of YOU, more children in Ringgold Elementary School will know where their next meal will come from when they leave school on Friday afternoon. We are so grateful for the impact you make on kids each weekend.

Thank you for letting kids be kids – without the worry of being hungry.

Sincerely,

Erin Kerr  
Chief Executive Officer

*Thank you Dani Mizia and Jaymi Moody for your hard work in 2023 to get our donations to the children of Ringgold Elementary.*

## Church Library

Help is needed for the church library! In 2023 there were a great many books moved in and out of the church library. Now I would like to request Word processing help to update the Church Library Index. The catalogue numbers have been assigned, but I need someone who would be willing to enter the book titles in Word. That can be done at home with your computer or at the extra computer in the church office, when it is not needed for typing the Focus. This is not a rush job, so you can take several months to finish up, if you choose. Please contact Phyllis, if you need more information. ([phyllis.permar@gmail.com](mailto:phyllis.permar@gmail.com)) Thank you so much for your willingness to help! I look forward to working with you!

## Noah’s Ark Preschool

We are so ready for Spring! We have been truly enjoying the sunshine and warmth on the playground. The trees are being climbed and the sand is in constant motion, carried from one place to another. The children are beginning to notice the budding trees and growing flowers and the teachers, and I have been having many conversations about the growing children! We sit in awe of how much they have grown and changed since September. Children who used to be reserved and quiet are now bold and boisterous. For us, this reflects the nurturing environment we strive to provide. Witnessing their transformation fills us with immense pride, knowing that our love and unwavering acceptance contribute to their journey toward becoming confident, proud, lifelong learners.” Thank you so much to all of you who share your children with us at Noah’s Ark! We are so privileged to be part of your families.

I have received many after-hours photos of our families enjoying our playground. Few things make me happier than seeing children and parents enjoying our space together. With that, I extend a welcome to all of our preschool and church family to enjoy our outdoor space any time!

Miss Heidi

## **OUR VISION**

The vision of Our Redeemer Lutheran Church is to be a welcoming church where people of all ages and backgrounds will: encounter God in worship, experience Christian community, discover their God-given gifts, grow in faith, and be equipped for service and witness as we are sent out into God's world.
