

"They devoted themselves to the apostles' teaching and fellowship, to the breaking of bread and the prayers." Acts 2:42

During the season of Easter, our first reading in worship comes not from the Old Testament, but rather from the book of Acts. Acts, written by the same author as the Gospel of Luke, follows the early Church as the new believers learn, grow, and share life together, gathering as a community shaped by the good news of Jesus.

I especially love this passage from Acts 2 that we heard in worship at the end of April for the way it so succinctly describes a rhythm of life that is familiar to us even today. Learning together, sharing in fellowship, eating and worshiping together - these are the joys of community! Through these actions we strengthen our bonds as siblings in Christ and co-workers in the Gospel. As we grow in relationship to one another, we find opportunities to give and receive care, support, encouragement, and joy.

You'll notice as you flip through these pages that "fellowship" could very well be the theme of the month. Lots of opportunities for gathering together around food, learning, and community are available for people of all ages and interests. Play some games and roast marshmallows around the campfire at a special camp-themed Family Friday for all ages; dig into current issues at Pub Theology; enjoy God's beautiful creation with the Holy Hikers; share good food and good conversation with the Dining Divas; catch a new movie and share in discussion with the Faithful Filmgoers - whether you've been around Our Redeemer for decades or have joined us within the last year, there is a place for you!

As we spend time together and time with God, we give thanks for the gift of community. With so many people feeling isolated and divided these days, the bonds we cultivate in this place become even more important. Of course, community is not always easy - there are disagreements and differing opinions, misunderstandings and hurt feelings, even here. What good news it is, then, that the powerful love of God continues to draw us together and make us one.

HOLY HIKERS! A NEW FELLOWSHIP OPPORTUNITY

What/who is a Holy Hiker... YOU! Announcing a new fellowship event(s) for the summer and fall months designed to get outside and explore some of the scenic hikes in Washington and surrounding counties. Details such as locations, frequency, lengths of hikes, swag(?), will be ironed out as we go along but the following intentions will be our guiding principles.

- Everyone is welcome, RSVPs not required (just show up at the time and place), although this may evolve into a group email address list for hike information dissemination.
- Friends are welcome (again, just show up).
- Consistent day of the week and time for the hikes TBD (ie. Saturdays 9:00am?).
- Out and back hikes to permit early turn-arounds (if you don't want to go the whole distance).
- Self-paced so no need to keep up with the fast-walkers (bring a friend to hike with!).
- So, this is easy-going, informal, come as you are, participate as you will, get exercise, have fun!!

Saturday, May 6 at 9:00am will be the kick-off event held on the Peters TWP Arrowhead biking trail starting at the large parking lot behind the old St. Petersburg Center building (210 Valley Brook Rd) east of the intersection of Rte 19 and Valley Brook Rd. We will head east along the trail and then explore the new connector trail to the high school/twp park combined property. See you there!!

Your friend in Christ,
Clint Langley

PS: Naming credits for "Holy Hikers" goes to Steve D'Addieco (Master of Linguistics).

NOAH'S ARK PRESCHOOL

It's almost May and in the preschool that means it's almost summer! We love this time of year for so many reasons. We get to reflect on the amazing growth and changes we have seen since September when we had tears from little ones and anxious smiles from parents wondering if their child would ever settle in. Those tears and fears are now replaced with confidence, big smiles and so much joy! We take the chance in May to celebrate the children's growth and also all the mommies with our Mother's Day teas. Our teas are a time to say "look Mommy, you made it through your first year of preschool too and we thank you for loving us!" After our teas, we will end our year with our annual school picnic at Peterswood park where all our families will gather for the chance to enjoy each other's company, before we head off for summer fun. We are always so grateful for these end-of-the-year milestones and for all of the prayers and support you each give us throughout the year!

Miss Heidi

NOAH'S ARK PRESCHOOL, CONTINUED

REMEMBERING

Our Redeemer's preschool program, Noah's Ark, has a history of being supported by an incredible staff of teachers and board members. Each of these individuals over the years has dedicated their time and shared their talents to enhance the philosophy and mission of the preschool.

Several of us who have retired from the preschool meet frequently for lunch, coffee, Bible Study or general "catching-up." During one of our times together several of us realized how many teachers that have passed. Most recently, Shannon Mincin, who taught with Peggy Barczak, died of cancer. A few years prior we mourned the passing of both Mindy Hudson and Chris Kail. "Let's honor these individuals and others by creating a sensory/memory garden on the preschool playground." Everyone was enthused and ready to find plants that would encourage the preschoolers to enjoy gardening and hear how these people had loved our preschool.

After many discussions about location of the garden and ways to remember them, we have started growing particular plants with sensory features – lamb's ear, spearmint, thyme, sage, rosemary, lavender, a lilac bush and hens and chicks. More importantly, we have also purchased bricks with the names of our honorees that will be placed near the entrance to the preschool, on the playground.

It is our privilege to honor and remember the work and commitment to Noah's Ark by:

John Mickitsch – Board member

John Hesemann – Board member

Dee Hammer – Teacher, 3-year-olds

Rose Boccardi – Teacher, 4-year-olds

Chris Kail – Teacher, 4-year-olds

Mindy Hudson – Teacher, 3's & 4-year-olds

Shannon Mincin – Teacher, 4-year-olds

May God's peace and love continue to hold them as they are surrounded by all of the other angels in His heavenly choir.

Gerda Moul
Retired Preschool Director

LUTHERLYN

April 2023

Dear Members and Friends of Our Redeemer Lutheran Church,

Camp Lutherlyn has changed the lives of many members of Our Redeemer – including our own, as you may have heard during our Temple Talks in church these last few weeks. Generations of children and adults alike have been deeply impacted by Camp’s invaluable ministry—as campers, volunteers, and summer staff. We’re also proud that Our Redeemer has offered generous camperships throughout the years, ensuring that all who want to attend camp are able to do so.

These next several weeks we’ll continue to celebrate life-changing adventures in faith at Camp Lutherlyn as we support Lutherlyn’s “Building for the Future” campaign. Our congregation has accepted a goal of \$10,000, and we’re asking members to respond generously to help us reach the goal. Funds are needed to complete many important projects over the next three years of the campaign—including building new cabins and other facilities, and rebuilding and maintaining such sacred spots as camp’s beautiful amphitheater. If your kids have gone to Lutherlyn, ask them about Friday night closing worship in the amphitheater. It’s an unforgettable and very moving experience. Twilight, in the woods. Crickets and cicadas humming. Guitars strumming. Cabin leaders connecting individually with their campers, affirming each of them as children of God. There’s nothing like it.

You’ll have the opportunity to join the effort to support camp through this campaign. We’ll seek your own pledge or gift through Statement of Intent forms that will be distributed at worship on May 7 and 14. Please prayerfully consider your response.

In today’s increasingly digital era, unplugging, connecting with others, and learning about God’s creation in the beautiful wooded hills and meadows of Western Pennsylvania is more important than ever before. Please help keep this vital ministry alive for generations to come – for our kids’ kids, and their grandkids, too.

Yours in Christ,
Alison D’Addieco and Jackie Beck

Victory Sunday! May 21, 2023 at Our Redeemer. We’ll celebrate our congregation’s support of Camp Lutherlyn’s “Building for the Future” campaign – complete with a Lutherlyn-style coffee hour. Does anyone remember the great coffee cake they serve at Camp? We’ve got Mrs. Shaulis’s recipe!

OUR VISION

The vision of Our Redeemer Lutheran Church is to be a welcoming church where people of all ages and backgrounds will: encounter God in worship, experience Christian community, discover their God-given gifts, grow in faith, and be equipped for service and witness as we are sent out into God's world.
