Pastor's Message

Paul wrote to the early Christians in Rome saying, "We do not live to ourselves and we do not die to ourselves. If we live, we live to the Lord, and if we die, we die to the Lord; so then whether we live or whether we die, we are the Lord's." (Romans 14: 7 & 8)

In the 17th Century clergy person and poet, John Donne, popularized this thought in a sermon in London's St. Paul's Cathedral. He said, "No one is an island, entire of itself; everyone is a piece of the Continent, a part of the main...any one's death diminishes me...And therefore never send to know for whom the bell tolls; it tolls for thee." (I substituted "one" for "man.")

Together, Saint Paul and the Rev. Donne remind us that we are connected to our Lord, to one another, and to the world. Our recent experience of a worldwide pandemic demonstrated this truth as well. While we knew that it was physically safer to stay in isolation, we found ways to stay connected. The use of Zoom for work settings, school, church meetings, and families as well as the use of Livestreaming to deliver worship services directly to our homes are all testaments to our desire to stay connected.

Now that people are slowly coming out of our isolated places, we are finding great joy in being together again. Families are realizing the socialization that their children have missed. The church is central in helping us to return to a more familiar place of relating to our Lord, to one another, and to the world.

Please read through this newsletter and watch the weekly email and announcements to see all that is being offered through our congregation to bring us together for support and enrichment in our own lives and for the sake of the world. I won't try to list everything you will read in this exciting newsletter, but I would like to highlight three things.

The Congregation Council is inviting all members and friends of the congregation to participate in conversations about our life together and plans for our ministry at ORLC. Please make a commitment to attend one of the Town Halls because your voice is important in this process.

Second, please note that a bit of a change is coming to our Prayer List. We'd like to keep the prayer list more up to date so that it can be a lively part of our support for one another. Praying for someone long-term is important. However, when we gather more and more names it is human nature to give up on connecting with those in need on a regular basis. So, we are going to place names on the list for three months rather than indefinitely. You may ask for renewal at three months or ask for someone to be removed within the three months. Currently, we have names on the list that go back 10 years (or more) without knowing what their current needs might be.

Third, we are getting ready to observe the 10th anniversary of God's Work-Our Hands on September 10. This event connects us to the world beyond the doors of our church. While it is out in the future, now is the time to order our t-shirts and identify the projects we will undertake. This year, there will be a variety of projects. Please read about this in the newsletter and watch for even more details in the next two months.

Please, over the summer, stay connected with your church family through worship, prayer, service and offerings. You are needed at Our Redeemer. We look forward to seeing you and hearing from you!

Pastor Martha

Sign ups are requested for many of the events at Our Redeemer. You can sign up through our [website](#) or on the bulletin board at the church.

Our Redeemer Town Halls

This is a very important time in the life of our congregation. In preparation for the upcoming call process, the church council would like to hear from you! We are hosting a number of gatherings at the church (most of them following worship services) in order to hear from a wide range of people. These gatherings will help to inform the leadership about the hopes and dreams of the congregation and will give congregational members a chance to hear from each other as well.

You should sign up for the gathering that is most convenient for you. We would like to have a minimum of 8 people at each meeting and will confirm at least a week ahead of time if the meeting you signed up for is going to be held. Teens and young adults are urged to participate in the meeting of their choice but may want to look especially at the meeting that focuses especially on young adults. Childcare will be provided on at the Sunday, August 13 gathering only. However, children are welcome at any of the other meetings where they will be able to play in the side area of the fellowship hall.

Each gathering will be 60-90 minutes in length, depending on the number of people attending and the robustness of the conversation! Each conversation will be guided by one of our council members.

You may choose from the following dates:

Saturday, July 22	6:15 p.m. – 7:30 p.m.
Sunday, July 30	11:30 a.m. – 1:00 p.m.
Wednesday, August 2	7:00 p.m. – 8:30 p.m. (especially for teens and young adults)
Saturday, August 5	6:15 p.m. – 7:30 p.m.
Sunday, August 13	11:30 a.m. – 1:00 p.m. (childcare provided)
Tuesday, August 22	10:00 a.m. – 11:30 a.m.

Please sign the [bulletin board online](#) or on the bulletin board in the church to register.

Come prepared to share what brought you to this congregation and what keeps you here. We want to hear your hopes and dreams about the ministry we share together in this place. We truly want to hear from YOU!

Special readings for Summer Worship

This summer in worship we're hearing one of the readings each week from a children's story Bible rather than the NRSV translation. To accompany each story, our children and youth have been sharing their artistic talents through artwork that is displayed on the screen and on the hall bulletin board. Many thanks to our May and June artists, highlighted here.

Ringgold Elementary School North Blessings in a Backpack Update:

We wrapped up the school year with our last pack on June 1st. We provided bags of food for approximately 120 kids for 32 weekends. That's over 3800 bags of food discreetly given to kids who experience food insecurity on weekends when they do not have access to free school meals! Each bag contained 9 items for a

regular weekend, 12 for a long weekend. We are so grateful for the support of the church. Your generous donations provided 920 food items plus monetary gifts including the Souper Bowl and Growing In God collections. All monetary donations are used to purchase food in bulk. It costs about \$125 to feed each child for the school year. We cannot thank you enough for the impact that you have made this year. Look for more information in September when we start the new school year!

With gratitude,

Announcing our new adventure in the Holy Hikers series of athletic events (hiking, walking, exploring).

Summer Book Study

Pastor Martha will be leading discussion on the book, “Look For Me There- Grieving My Father, Finding Myself, by Luke Russert. We will discuss the book in general, but will focus on the topics of grief, travel and finding oneself at any stage in life. Readers are asked to purchase their own books and read as much of it as possible before we begin. We will meet at the church on **three Thursdays in July: the 13th, 20th and 27th from 10:30 a.m. – Noon.**

Pastor Martha

Summer Food Pantry Needs at the City Mission

Shelley Kubincanek, Church/Community Relations Manager at the Washington City Mission reports that in the summer, food donations go down and request for food support goes up! On June 20, the Mission’s food pantry served 50 families, 15 of whom were there for the first time. Items that are especially needed this summer include: canned soup and vegetables, spaghetti sauce, canned chicken, tuna, ravioli, SpaghettiOs, crackers, Diapers sizes 5, 6 & 7, Pullups size Large.

Donations can be placed in the large boxes in the church narthex (lobby). Drivers to deliver our congregational donations are needed each month from August until the end of the year. You can sign up to deliver donations on the bulletin board at church or online. Thanks for your support in this important work.

Lutheran Campus Ministry Pastor Bennett will be at ORLC

Did you know that there is a very active campus ministry provided by Lutherans in Pittsburgh? In fact, Pastor Brian Bennett, the Lutheran campus pastor, just received The 2023 Joseph A. Sittler Award given by the ELCA for his engagement with the wider church and community from the perspective of campus ministry through printed or electronic media.

Pastor Bennett will be our guest preacher at the worship services on **July 15 & 16**. After the worship service on Sunday, a forum will be held with Pastor Bennett to learn more about the ministry that is provided by and for students at Pitt and other local campuses. Whether college is in your future or well in the past, or if you just care about how the church is reaching out to young adults in this complex world, please take a little extra time to learn more about this very important ministry. (We also will have Coffee Hour that morning. So, grab a cup of coffee and join us in conversation about how we are reaching out to local college students.)

Building a Team from Our Redeemer for Habitat for Humanity

The Service and Outreach Committee has reached out to Habitat for Humanity of Greater Pittsburgh to inquire about volunteer opportunities at a Habitat build site. Habitat is interested in having volunteers from Our Redeemer participate in a construction day for available dates on August 5 if we can provide at least 10 volunteers for the day. The build site will be in Allegheny County, so some additional travel will be required. **No construction skills are necessary, but only a desire to act as the hands of Jesus for the day. (Update: 5 more people are needed.)**

We need to see if we have enough people interested and available to participate on Saturday, August 5. If you are interested in participating, please sign up on the bulletin board at church or on line (link on electronic publicity). Keith would like to lock in the date, so we need your quick response so that we can determine if we have a group of at least ten people to participate.

A little information about Habitat for Humanity: Habitat Pittsburgh homes are sold to families with an affordable, no-interest mortgage. Each family must demonstrate a steady income that is within certain income guidelines. Habitat works to empower families to achieve decent shelter. Families must currently be living in substandard conditions. This may include a current residence having safety concerns, health risks, high crime, or being overcrowded. Families work hard to purchase their home. A family must be willing to work with Habitat Pittsburgh. This includes working alongside volunteers on Habitat Pittsburgh projects and taking part in financial literacy classes to help manage debt and budget for the future. (Habitat for Humanity website).

If you would like more information, please contact Keith Mason at krmason057@gmail.com or 412-965-6592.

God's Work – Our Hands

The ELCA's annual day of service, **September 10**, is known as God's Work, Our Hands. This is the 10th anniversary of this churchwide event that is held in so many congregations across this country. Once again, Our Redeemer will be participating in this opportunity for service. The Service and Outreach Committee is planning a variety of activities that will give children and adults of all ages a chance to serve our community locally and beyond. Watch the upcoming newsletters and announcements for more specific details.

In the meantime, if you don't already have a "God's Work-Our Hands" t-shirt, we urge you to consider ordering one for \$11. They come in a wide variety of sizes. How fun it will be to join in worship that weekend seeing a sea of yellow and black t-shirts demonstrating our Lutheran commitment to loving and caring for our neighbors. Because the shirts will have the name of our congregation on the back, we need to place the order in plenty of time. **Deadline for ordering is Sunday, July 16.**

Also...one of the activities we'd like to do this year is provide help with yard work, outside painting, and light maintenance for people who have need of that kind of assistance. These people may be members of Our Redeemer but they are not required to be members. As you think about your own need or that of someone you know, remember that this work will be done in the early fall (September 9 & 10) but over the summer we will be making the arrangements. If you have a need or want to refer someone else, please contact Pastor Martha Clementson by email (clementsonmartha@gmail.com) or phone.

We are also collecting **school supplies** as part of the day of service. Please bring in your donations by September 6. Watch for more information in the bulletin and weekly announcements as to when we are packing kits for Lutheran World Relief.

OUR VISION

The vision of Our Redeemer Lutheran Church is to be a welcoming church where people of all ages and backgrounds will: encounter God in worship, experience Christian community, discover their God-given gifts, grow in faith, and be equipped for service and witness as we are sent out into God's world.
