THANK YOU, KATIE!

Katie McNeal came to us as an intern in September 2020, and the timing could not have been better. We were six months into the pandemic and tired of Covid. Vicar Katie's enthusiasm and infectious smile lifted our spirits, and her tech know-how led us into a vastly improved on-line presence.

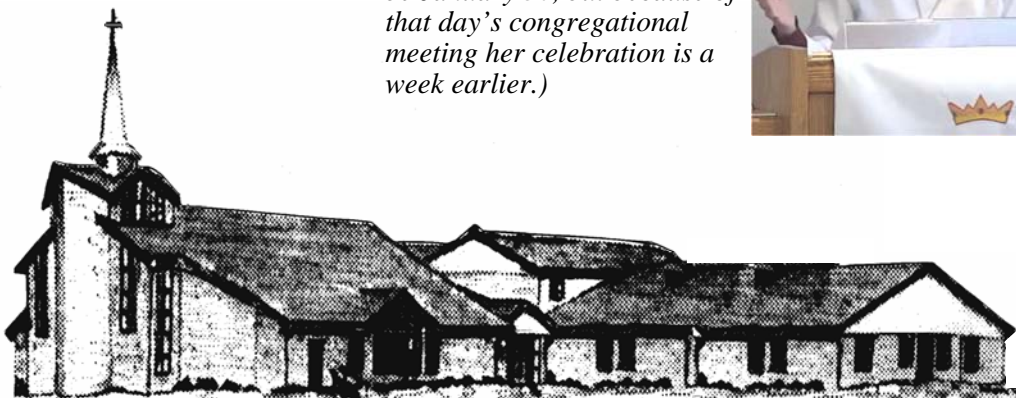

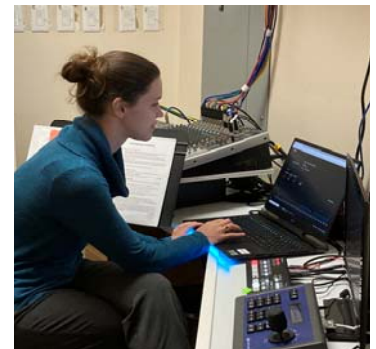

After Vicar Katie successfully completed her internship at the end of August 2021, she was ready to be called as a pastor to a congregation. But that process takes time, so council asked her to stay on with us as Ministry Assistant until we called a new Associate Pastor. Our Redeemer has greatly benefited from her continuing presence among us.

Katie has lived among us as a preacher, teacher, innovator, IT specialist, counselor, cheerleader, colleague and friend and ably done all of it online and in-person. She has brought God's word to us faithfully and skillfully. She has taught teens in confirmation, little kids in Sunday School, adults in Bible study and computer/camera technology with patience and creativity. She has encouraged us to do things we never thought we could do - like singing in a virtual choir and having a YouTube channel. And most of all, she has become a beloved sister in Christ to many of us. Katie will be a wonderful pastor when she is called to a congregation.

We will celebrate Katie's successful completion of her internship and give thanks for time among us on January 22/23. She will be honored during all three worship services and there will be an in-person reception from 10:00-11:00 on Sunday, January 23. Watch your email for ways you can help us celebrate Katie.

Pastor Schmid

(Katie's last day with us will be January 30, but because of that day's congregational meeting her celebration is a week earlier.)

WORSHIP

Baptismal Commemoration

January 9 is the Baptism of Our Lord Sunday. In the past, we were able to bring together those who were baptized during the year and celebrate on this day with them. Because of the pandemic we will only verbally recognize those children baptized in 2021. They are:

Kalysta Faith Kondas, August 1
 Ruby Joy Rutkowski, September 7
 Kolton Andrew Smith, September 18
 Marie Catherine Martin, October 24

Ministry Schedule

At the current time, we will be working with volunteers only. Please see the Ministry Schedule posted on the bulletin board or email the church office and let us know when you would like to serve.

COVID Protocol

For the time being, our Covid worship guidelines are as follows:

- Masking is recommended, but not required, for everyone at the Saturday 5:30 and Sunday 11:00 services. Please use your best judgement.
- Facemasks are required for everyone at the Sunday 9:00 service.

It has been a gift to have been able to serve Our Redeemer beyond my internship. It was never intended to be a permanent position, and so the time has come for me to take the leap of faith into whatever role God is calling me next. It has been 16 months (17 at the end of January!) of twists and turns and surprises to say the least! I have had the opportunity to...

- learn with Growing in God classes by way of creating online content and at-home lesson packets and working with students in the building
- explore with a great group of thoughtful Crossroads students who kept me on my toes!
- imagine worship as it could exist online and in person... complete with a choir when we couldn't sing together!
- share stories with enthusiastic and playful preschool students
- work with a team to implement new technology into worship and learning opportunities
- visit with people and be welcomed into their life's stories

And certainly not least of all, I've had the opportunity to experience what a wonderfully kind, supportive, and unique community Our Redeemer is through fellowship and an extra-wide variety of worship services.

But before I take my leave, I wanted to say thank you. Thank you to my amazingly compassionate and supportive internship committee. Thank you to the incredibly hard-working staff and council of Our Redeemer. Thank you to the entire congregation for being a welcoming and gracious community that opened itself to not only be my internship site, but also a place where I could continue to serve. Thank you for being patient as we worked out technology issues. Thank you for being kind and caring as we navigate the ever-changing landscape of a pandemic. Thank you for making me feel at home among the people of Our Redeemer. Thank you for welcoming me into your lives over the past 16 months. Thank you for being you. I will miss you and this community very much. However, there's a popular phrase that people often use when a good thing comes to an end: "Don't cry because it's over; smile because it happened." And while there will always be a sadness that accompanies an ending, I have a very large smile when I reflect on all the goodness that the past 16 months have brought. Our Redeemer will always hold a special place in my heart and each of you will remain in my prayers.

And in endings we also look to the new life and the new beginnings born. Our Redeemer is about to embark on a new beginning with Pastor Kerri, and I am about to embark on a new beginning as a called and ordained minister of Word and Sacrament somewhere. May God's blessings be felt by all as we continue responding to the paths on which God calls us.

May the peace of God, which surpasses all human understanding be with you all.

Katie McNeal

FELLOWSHIP

Congratulations to Pastor Yedlicka for his winning soup at this year's Advent Soup Supper.

Kielbasa Lentil Soup

Wash 1# package lentils*. Heat in 5 cups water, 2-16 oz. cans tomatoes, 2 bay leaves, 1 tsp. salt, ¼ tsp. pepper. Bring to a boil. Reduce heat and add 1# kielbasa. Cover and simmer 15 minutes.

Meanwhile, in large skillet over high heat fry 8 slices bacon cut up, until slightly limp. Add 1 cup chopped carrots, 1 cup chopped celery, and 1 medium sliced onion to the bacon and cook over medium heat 15 minutes, stirring constantly.

Add bacon mixture to lentils and continue cooking 30 minutes. Slice the kielbasa.

*To make a less thick soup, use less lentils (i.e. ½ lb.)

Welcome to Our Redeemer!

NOAH'S ARK PRESCHOOL

It's that time again, a new year and a new start! January is a great time to look back at what we've been doing to discern what's worth keeping and what may need to change. In the preschool, that means taking a close look at the children around us. Are our classrooms running smoothly? Are the children feeling a sense of belonging? Are they outgrowing some of our routines? It is truly amazing to see them grow and mature so much from September to January. Where we once had crying little ones unsure about leaving mom, we now have giggling little ones unsure about leaving school! We honor that growth by instituting changes that give children more responsibility in the new year. In our threes classes we add new jobs and sign in sheets for children to feel the sense that they are capable and in charge of their community. In our fours and fives we replace teacher led readings with a child reader, children take over more of the discussions related to sharing and problem solving and grow in the knowledge that they are smart and ready to soar! We are always looking for ways to change and improve but we are especially grateful for the gentle nudge that January brings. I hope that January gently nudges you to look back on your year much like we do. To celebrate all of the good and to reflect on things that may need an update in your life as well!

January also brings our annual registration for the Fall! Beginning January 24 we will welcome our current families to register for classes, January 25 we welcome church members and alumni and on January 31 we will invite new families to register*. If you would like information about registration or to take a peek inside our classrooms (even if your children are grown!) please call the office to inquire about a tour. I love to show off our school!

Miss Heidi

Heidi Garner, Director
Noah's Ark Preschool

*The registration packet is available on the preschool page of the church's website, <https://www.ourredeemer-peters.org/preschool.html>. Please bring the completed registration packet and any payments with you to registration.
